

Dear Students & Parents/Guardians:

Summer reading is here, and we hope you are as excited as we are. This year, your summer reading choices are up to you. We have provided a list of suggested book titles for you to look at, but the books you read are completely up to you!

All incoming 7th & 8th-grade students are asked by the ELA department to read at least (2) books over the summer and complete the summer reading log below. All books read should be recorded on the Summer Reading Log below. Books recorded should be books that have not been read before! Please note: Gifted ELA students should complete the Gifted Summer Reading Assignment that can be found at the website below.
